HARDING PLEADS FOR THE SHIP SUBSIDY

President Appears Before Congress and Makes His Argument Before Both Houses.

(By Associated Press)

Washington, Nov. 21—Enactment of the Administration's merchant marine bill was urged upon Congress today by President Harding as necessary to relieve the government of its present "staggering losses" in operation of the war built merchant fleet and to establish a program to assure shipping to serve the nation in war and give a guaranty of commercial independence in time of peace.

Personally addressing the joint session of the House and Senate he declared an actual monetary saving to the government would result from the proposed law. He challenged every insinuation that it favored interests and enriching of a special few at the expense of the public treasury. He asserted the legislation automatically guards against enrichment or perpetual bestowal and declared it would be most discouraging if a measure of "such transcendent national importance must have its fate depend upon geographical, occupational, professional or partisan objection." He said the present operation of the shipping board fleet entailed an expense of \$50,000,000 annually and "hundreds of millions in worn-out, sacrificed or scrapped shipping," while the maximum direct aid, if American shipping is so promoted to carry half the nation's commerce, would not exceed \$30,000,000 annually.

Before the president began delivery of his address, the House merchant marine committee formally reported the bill out.

A COLORADO CLAY AT HARVARD DEFIES K. K. K.

(By Associated Press)

Cambridge, Mass., Nov. 21—Hubert C. Clay, of Colorado Springs, a descendant of Henry Clay, a sophomore, is totting a pistol about the Harvard campus because of a letter signed K. K. K. in which he was warned to leave the city. Advised by the dean to go unarmed, Clay said "Well, I'd a lot rather shoot somebody than be tarred and feathered." He told the police that while the note might be a joke to Easterners such a message in Colorado would be a serious matter.

Woman Senator Not Formally Seated Yet

(By Associated Press)

Washington, Nov. 21—The Senate again today delayed action on whether it would permit Mrs. W. H. Felton, of Georgia, to take a seat as the first woman senator. When she presented her credentials to the Senate, Senator Walsh, democrat, of Montana, interrupted to ask that the legal considerations be carefully weighed. Before any action was taken, the Senate recessed to attend the joint session and hear the president's address. Mrs. Felton listened impassively.

Kicking Against the Pricks

(By Associated Press)

St. Louis, Mo., Nov. 21—Declaring the results of the recent election showed strong indication that public sentiment favored repeal of the Volstead act, a score of state secretaries of the Association Opposed to the Prohibition Amendment today perfected plans for modification of the dry enforcement law and eventually repeal of the 18th amendment. Resolutions providing plans for dispensing alcoholic beverages under regulation of the states were prepared for submission to the conference.

ANOTHER MIX-UP OVER NEW NORMALS

(By Associated Press)

Frankfort, Ky., Nov. 21—The State Board of Education today declined to accept the invitation of the Normal School Commission to meet with it in Lexington next Saturday and take steps toward opening of the new Normal school at Murray. George Colvin, State Superintendent of Public Instruction, said the State Board is willing to co-operate in every way but felt the commission had no right to name the president and faculty of the new school.

WANT FIELD NAMED FOR FLYING HERO

(By Associated Press)

Lexington, Ky., Nov. 21—The heroism of Kentucky's only aviator killed in action overseas is the subject of resolution by American Legion Posts, citizen committees and church organizations, urging that the army flying field at Louisville be named for Howard I. Kenne.

A forced landing one day amid barbed wire and shell holes, shot down by enemy machine gun behind the American lines and shot down in flames the third day behind the German line, summarizes briefly the last days of Lieutenant Kenne, of the 93rd Aero Squadron and his pilot, Sergeant McElroy.

At the University of Kentucky while an underclassman, Howard Kenne was distinguished as the man who "beat Purdue" in 1915 by recovering a fumbled ball and racing down the field for the only touchdown of the game. He was a member of Alpha Tau Omega fraternity and active in numerous student affairs, especially work of the Y. M. C. A.

The class of 1918 University of Kentucky, to which Lieutenant Kenne belonged is at work now on a memorial to him through the secretary, Professor Russell A. Hunt, of Millersburg.

Man Mortally Wounded By Burglars Caught In House

(By Associated Press)

Bondsville, Ky., Nov. 21—When Ben Welch, 28, employed by the Louisville and Nashville railroad at Samuels, Ky., returned to his home he was attacked by four men who had broken into his residence. The intruders, upon discovering that they had been detected by Welch, shot and wounded him four times in the body and inflicted stab wounds in the head and back that will probably result in his death. Dr. Peake removed a portion of a knife blade from his back. Welch was unarmed. Between 400 and 500 buckshot took effect in Welch's body, comprising four loads of buckshot.

TUESDAY—"LOVE'S AN AWFUL THING"

FOUR CONVICTIONS IN GAME LAW CASES

District Game Warden S. M. F. Gentry and Deputy Sam J. Embury, of Stanford, prosecuted four cases in county court here Tuesday and secured convictions in all for violation of the state law which forbids hunting without a license. The men accused were mostly from the Berea section of the county. Each was given \$20 and costs which made it \$23.50 in all. The men convicted were Neal and H. E. Pulliam, Duck White and Mildard Lackey. In Squire Isaac's court in the Berea section, the same officials secured conviction of R. H. Edenster, who was given the same fine. They say they have three more cases to try next Tuesday. These officers are watching violations of the game law with vigor and are making it unpleasant for those who are willing to take a chance on going after birds or rabbits without a hunting license.

MRS. WILLIAM OGG DIES AT PAINT LICK

Mrs. William Ogg, 53, died at her home near Paint Lick Monday after a brief illness of pneumonia. Her death came as a severe shock to her friends and loved ones who have the sympathy of all in their hour of bereavement. She is survived by her husband, one daughter, and three brothers, William O. T. R. and C. S. Anderson. Funeral services were held at her home at Paint Lick at 11 o'clock Tuesday conducted by Rev. Hudson. Interment followed in Richmond cemetery.

COST OF LIVING INCREASING AGAIN

Washington, Nov. 21—An indicated increase of 2 per cent in the retail cost of food to the average family in the United States during the month ending October 13 was reported today by the Bureau of Labor Statistics of the Department of Agriculture, based on the prices of 43 articles in 51 cities. By cities San Francisco led with an increase of 6 per cent, while Philadelphia, Boston and Los Angeles showed 4 per cent, and Buffalo, Cleveland and New York were included in those reporting 3 per cent. No city reported a decrease, but the increase in a number, including Chicago, Indianapolis, and Milwaukee, was less than one-half of 1 per cent.

Of the food articles 14 showed an increase which was indicated to be largely seasonal, as much as 21 per cent for fresh eggs and 10 per cent for butter, while 19 showed a decrease and the prices of ten remained unchanged.

LETCHER JAILER IS FINED \$500

On Plea of Guilty To Permitting Federal Prisoners To Escape From Custody.

Jailer William Reynolds, of Letcher county, was given a fine of \$500 by Judge Cochran in federal court here Tuesday upon his plea of guilty of permitting federal prisoners to run at large and escape from his custody.

Jailer Reynolds came to court accompanied by his counsel, Attorney Monroe Fields of Whitesburg, who entered the plea for him. Assistant District Attorney Henry Maguire said that the evidence in possession of the government was that prisoners were allowed to roam about the town without restraint; that they publicly insulted federal prohibition agents who had arrested them and had gone home to try to vote in the election. Mr. Maguire said that the jailer had been warned by a letter from the district attorney's office that he would be prosecuted if conditions were not remedied, and a letter was received in reply from the jailer's attorney promising that they would be. But the district attorney said conditions grew worse instead of better and the indictment was returned.

Attorney Fields for Reynolds pleaded that Reynolds is illiterate and not responsible on account of his physical condition. He said he has been a sufferer from nervous, tubercular and stomach troubles; that he is tender-hearted and the prisoner overpersuaded him to be lenient with them, and because of his impaired physical condition he had been unable to resist them. The prisoners who had been confined in the Letcher county jail were sentenced at the Jackson session of U. S. court.

WEED SALES OPEN AT OWENSBORO

Monday's Owensboro Inquirer said:

Owensboro's tobacco market opened this morning with three loose leaf houses selling. Prices were similar to those paid at last year's opening. There were no sensational figures reached in any of the houses. It is estimated that the average for the opening will range between \$16 and \$17.

At the conclusion of the sale of the tobacco on the Lee Birk floor, the total of tobacco passing was 64,785 pounds, for which the average was \$16.35. C. E. Simmons, of near Birk City, got the highest bid on the Owensboro floor up to noon, receiving \$15 for a basket of bright leaf. The highest bid on the Birk floor was \$43.

It was estimated that between 750,000 and 1,000,000 pounds of tobacco was in the city during the day.

Bradshaw Heads Dark Pool

Hopkinsville, Ky., Nov. 21—William F. Bradshaw, farmer and banker of Paducah, today was unanimously elected President of the Dark Tobacco Growers' Co-operative Association by the board of directors in session here. Claude C. Cooke, of Clarksville, Tenn., and W. C. Broadbent, of Cadiz, Ky., were named vice presidents. The executive committee of the association will consist of these three officers and J. Guthrie Coke, Logan county banker, and Judge Robert W. Bingham, directors at large from Kentucky.

Canaries Sing Like Nightingales

(By Associated Press)

Bremen, Nov. 21—After ten years of experiments, a Bremen bird fancier has succeeded in producing canaries with a nightingale warble. The cross-breed was attained by using nightingales as "singing masters" for young canaries, and rearing the latter entirely removed from the sound of any other bird note except the warbling of their "instructors."

EDUCATION WEEK THIS YEAR DEC. 3-9

(By Associated Press)

Washington, Nov. 21—Education Week under the auspices of the Bureau of Education, will be observed this year from December 3 to 9. After the first celebration throughout the country of a week to promote education two years ago, co-operation of the American Legion, the National Education Association, clubs, schools and churches became widespread and this year greater good than ever is expected to result from the campaign.

President Harding has assured Commissioner of Education Tigert that he would by proclamation, set aside that week for education purposes, and a real nationwide revival of educational enthusiasm is looked for by educators generally.

In order to concentrate the campaign upon phases of education which are of outstanding significance, certain days were designated upon which special topics will be stressed. These are: Sunday, December 3, God and Country; Dec. 4, American citizenship; Dec. 5th, patriotism; Dec. 6th, school and teacher; 7th, illiteracy; 8th, equality of opportunity; and 9th, physical education and hygiene.

Every facility for public education even the air, will be used, for the Bureau of Education has arranged with the Inter-departmental Advisory Committee on Government radio broadcasting to use government radio to broadcast educational material twice daily through the week. Cooperation of motion picture theatres also has been tendered.

Governors, mayors and other executive officers have been invited by the education officials to issue proclamations and otherwise promote general observation of the week. Newspapers and magazines also will set aside space for the campaign.

Commissioner Tigert said the topics for each day were selected because they were considered of national importance. He explained, however, that these selections should not preclude the various states, municipalities and communities from stressing those features of education which need emphasizing locally.

Crab Orchard Men Sue In \$10,000 Crosstie Sale

Doing business at Crab Orchard as Edmonson Brothers, William D. Edmonson and Edward C. Poynter have filed suit in Clark circuit court, Jeffersonville, against the Pennsylvania Railroad and the Pittsburgh, Cincinnati, Chicago and St. Louis Railway for \$10,000 damages. It is recited that defendants contracted with plaintiffs to purchase crossties, the number to be not less than 50,000 nor more than 100,000. The agreement was made May 15, 1920 and undid this the defendants were to furnish inspectors. It is also alleged they were frequently called away. Plaintiffs assert they delivered 50,000 ties to defendants, but the railroads refused to take more than 46,000 of them.

Senator Hogg Dies At Versailles Home

Versailles, Ky., Nov. 21—Former State Senator E. E. Hogg, 60 years old, of Versailles and Morehead, died Sunday night at his home on Montgomery avenue here after a long illness of Bright's disease.

Senator Hogg, a lawyer and Democrat, served in the Senate from the old Thirty-fourth District in 1912, and 1914. His election as a Democrat at that time was regarded as a great political victory.

Senator Hogg is survived by his widow, three daughters and four sons. He formerly lived at Booneville, Owsley county, and was elected to the Senate from that place, defeating A. H. Patton, Republican, by 535 majority.

Hon. C. C. Bagby, of Danville was here the latter part of the week on legal business.

WANTS BONUS PAID BY CIDER AND BEER

Washington, Nov. 21—A soldier's bonus to be paid in cash from taxation of 2.75 per cent beer and cider was proposed in bill reintroduced in the House today by Representative Hill, republican, of Maryland. The measure modifies the one introduced by Mr. Hill during the last session of Congress, which provided for 4 per cent beer and 1 per cent wine.

The new bill provides settlement of a bonus in three equal cash payments on July 1, 1923, 1924 and 1925 and Mr. Hill declared that beer and cider tax would take care of the outlay, which he estimated at one and a half billion dollars.

A tax of 20 cents per gallon on beer and cider is stipulated. Representative Hill said the local option feature of the former bill was omitted "because Mr. Volstead has officially stated that cider containing 2 per cent of alcohol is not intoxicating and not prohibited under the Volstead act, and because the passage of this bill in no way disturbs the dry laws of Kansas and states having similar prohibition laws to those of Kansas, while at the same time it permits New York, Maryland, Massachusetts, Illinois and other states to have the beverages.

Representative Britten, republican, Illinois, today reintroduced the bonus bill vetoed by President Harding at the last session of Congress, amended so as to provide for raising the necessary funds by the taxation of beer, wines and champagne.

The Britten bill would provide a tax of \$30 per barrel on imported beer; \$10 per barrel on domestic beer; \$10 per gallon on imported still wines and \$2 per gallon on domestic still wines.

VAST AMOUNT FOR FEDERAL AID ROADS

(By Associated Press)

Washington, Nov. 21—Ten thousand miles of federal aid highways were completed in the last fiscal year, bringing the total mileage to 19,308, says an announcement of the Bureau of Public Roads, Department of Agriculture. The year's work constituted a new record.

Texas leads in miles of completed federal aid roads with 1,733 miles, while Minnesota is second with 1,416. Texas also is first in mileage under construction with 1,408 miles and Nebraska second with 970 miles. Iowa is third with 945 miles.

Texas and New York receive the largest allotments of federal aid, which is distributed on the basis of population and mileage of state highways.

Based on available data, Bureau officers state, the sum to be spent this year on highways will total \$742,000,000. The figures include federal aid roads and projects built in addition by the states and smaller municipal funds without the aid of federal funds.

More than 30 miles of bridges have been built under the federal aid highway program since 1916. One of the largest of these bridges, that from Mandan to Bismarck, N. D., is more than three and one-half miles long and cost \$1,425,000.

CITIES MAY LOSE BIG SUM IN TAXES

If Contention of Two Local Banks In Suit Before Judge Cochran Is Fully Upheld.

Hearing of a case which may vitally affect the revenues of every municipality in Kentucky, was set for Wednesday in eastern district federal court by Judge Cochran here this morning. It is the suit of the Southern National bank and the Madison National Bank and Trust company against the city of Richmond, seeking to enjoin the city from collection of city taxes on their shares of stock. The grounds relied on by the banks are the allegation that such taxation violates the federal statute that bank stocks cannot be taxed at higher rates than other monied capital, which is in Section 5219 of the U. S. Statutes. Then under statute of the State of Kentucky passed in conformity to the constitutional amendment of 1917 which permits classification of property for taxation it is contended that notes, bonds, stocks, and other such monied investments may be taxed only for state purposes. The banks contend, it is understood that this law exempts them from payment of any city taxes. Attorneys Burnham & Greenleaf are representing the two banks in their joint action, while City Attorney H. C. Rice and Judge G. Murray Smith are representing the city's interests.

The revenue of Richmond and every other city in the state will be seriously crippled, and sent forced into the hands of a receiver, attorneys for the city say, if the banks' contention is sustained. It is pointed out that Richmond receives some \$12,000 a year taxes from its banks, and an estimate has been made that some \$24,000,000 is involved in the state in determination of this action.

Danville Nurse Killed In Elevator Accident

Danville, Ky., Nov. 21—Mrs. Irene Magee, 40 years old, nurse at the Danville and Boyle county hospital, was killed Saturday night about 8 o'clock when her body was crushed between the walls of an elevator shaft and the heavy elevator door. The accident occurred when she was bringing a patient down the elevator to the operating room at the hospital.

According to hospital authorities, Mrs. Magee ran the elevator down to the second floor. Observing that the elevator floor was not on a level with the floor of the hall she stepped out on the hall floor, reached inside the elevator and turned the handle to lower the car.

She turned the handle in the wrong direction, however, and the elevator started up, catching her in its rise, with her head and body from the waist up inside the car. As the car neared the top of the next floor her body was caught between the walls and the car floor and was horribly crushed.

The state has gotten into a pretty pickle over the location of the new normal schools. Charges fly thick and fast and no one's motives but are impugned. Too bad the legislature didn't have sense enough to let well enough alone by simply providing for enlargement of the present normal schools, which could easily have been made amply big enough to take care of every demand.

Some of the democratic newspapers over the state seem to be paying too much attention to what the Republican Louisville Herald is saying about the next governor's race. Of course, the Herald wants to start democrats disagreeing about men and measures. Better take what the Herald says with a grain of salt boys.

GIRL NOW WELL AND STRONG

Daughter Took Lydia E. Pinkham's Vegetable Compound as Mother Advised

Wauseon, Ohio.—"My daughter always had backache and leg-ache at certain periods and could not be on her feet at those times. We read about Lydia E. Pinkham's Vegetable Compound doing girls so much good so she began to take it. That is two years ago and she is a different girl since then able to do any work she wants to do—although she is still careful not to do heavy work—and so well and strong. We recommend Lydia E. Pinkham's Vegetable Compound to all mothers with ailing daughters, and I give you permission to publish this letter as a testimonial."—Mrs. A. M. BURKHOLDER, Route No. 2, Box 1, Wauseon, Ohio.

Something out of balance will affect the finest clock, causing it to gain or lose. The proper adjustment made, all is well. So it is with women. Some trouble may upset you completely.

Lydia E. Pinkham's Vegetable Compound will correct the cause of the trouble and disagreeable symptoms will disappear as they did in the case of Mrs. Burkholder's daughter. MOTHERS—it is worthy of your confidence.

Ruberoid Roofing!

We carry the genuine Ruberoid roofing in the Startex and Slatex qualities. This is the most durable and satisfactory roofing that we can buy and the price is considerably under that of other roofings when quality is considered.

We are always glad to show and compare quality and prices.

RICHMOND WELCH STORE

BIG HILL

Mike Lamb's dwelling house was completely destroyed by fire Nov. 16, set on fire by a defective flue.

Jefferson Settle's store house at Big Hill is ready for renting. He completed it Nov. 17th.

Mr. Glaze and wife from Lexington, spent Sunday with Whit Green at Big Hill.

W. A. Johnson went to Beech Grove Thursday to serve two warrants in behalf of the schools of Madison county.

The late rain brought tobacco in case and many farmers have been working hard with their crops.

Madison county teachers received their third payment Saturday.

The rabbits will have to watch or they will not see Thanksgiving day as the hunters have their guns and plenty of ammunition ready.

The school at Big Hill is reported to be doing good work

this year and everybody seems to be satisfied that the teachers are doing their duty.

RED PEPPER FOR COLDS IN CHEST

Ease your tight, aching chest. Stop the pain. Break up the congestion. Feel a bad cold loosen up in just a short time. Red Pepper Rub is the cold remedy that brings quickest relief. It cannot hurt you and it certainly seems to end the tightness and drive the congestion and soreness right out. Nothing has such concentrated, penetrating heat as red peppers, and when heat penetrates right down into cold, congestion, aching muscles and sore, stiff joints relief comes at once.

The moment you apply Red Pepper Rub you feel the tingling heat. In three minutes the congested spot is warmed through and through. When you are suffering from a cold, rheumatism, backache, stiff neck or sore muscles, just get a jar of Rowles Red Pepper Rub, made from red peppers, at any drug store. You will have the quickest relief known.

What I Have Learned in 47 Years Practice

I HAVE been watching the results of constipation for 47 years, since I began the practice of medicine back in 1875. I am now 83 years old, and though from time to time the medical profession makes some wonderfully interesting experiments and tests, the fundamentals of causes and relief in this particular ailment are unchanged.

But the people take greater interest today in their health, in diet, exercise and the drinking of water. Constipation, however, will occur from time to time no matter how one tries to avoid it. Of next importance, then, is how to treat it when it comes. I believe in getting as close to nature as possible, hence my remedy for constipation, known as Dr. Caldwell's Syrup Pepsin, is a mild vegetable compound. It is made of Egyptian senna and pepsin with agreeable aromatics. Children will not willingly take bitter things. Syrup Pepsin is pleasant-tasting, and youngsters love it. It does not gripe. Thousands of mothers have written me to that effect.

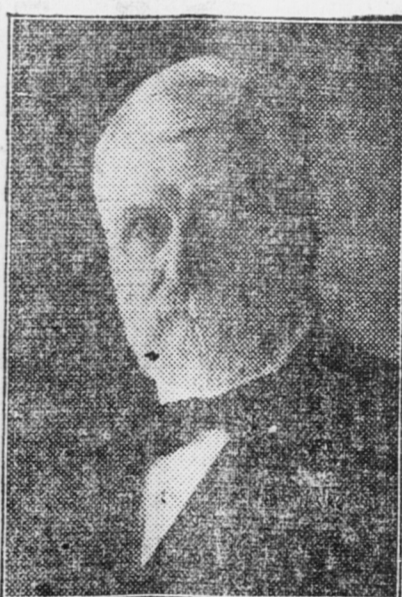

Over 10 million bottles of Dr. Caldwell's Syrup Pepsin are now sold every year, and it is the most widely bought family laxative in the world. I say family laxative because all in the family can use it with safety. It is mild enough for the infant in arms, effective in the most chronic constipation

of an adult. The formula is on every package.

Recently there has been a new wave of drastic physics. Calomel, a mercurial that salivates and loosens teeth, has been revived; salt waters and powders that draw needed constituents from the blood; coal tar disguised in candy form that causes skin eruptions. In a practice of 47 years I have never seen any reason for their use when a medicine like Syrup Pepsin will empty the bowels just as promptly, more cleanly and gently, without gripping, and without shock to the system.

Keep free from constipation! It lowers your strength 28 per cent, hardens the arteries and brings on premature old age. Do not let a day go by without a bowel movement. Do not sit and hope but go to a druggist and get a bottle of Dr. Caldwell's Syrup Pepsin. It is a generous-size bottle. Take a teaspoonful that night and by morning you will be well. The cost is only about a cent a dose. Use Syrup Pepsin for yourself and members of the family in constipation, biliousness, sour and crampy stomach, piles, indigestion, loss of appetite or sleep, and to break up fevers and colds. Always have a bottle in the house, and observe these three rules of health: Keep the head cool, the feet warm, the bowels open.

I REPEAT MY FREE OFFER

\$16,000 worth of trial bottles of Syrup Pepsin free
Last year I agreed to send \$10,000 cash for free samples of my Syrup Pepsin, and send them free and postage paid to all who asked. A tremendous mail was the result. But there must be many who did not write. I would like to get their address this time. So I now renew my offer, in remembrance of my approaching 84th birthday, and will again devote \$10,000 to free samples. I am anxious to see one in every American home. Write for yours today. Simply give me your address. Send it to Dr. W. B. Caldwell, 612 Washington St., Monticello, Illinois. Mine is truly a free gift. It costs the public nothing.

COMMISSIONER'S SALE

William Harvey Wylie's Heirs, etc, Plaintiffs

vs.
William Harvey Wylie's Creditors, etc, Defendants.

Pursuant to judgement and order of sale entered in the above styled action by the Madison Circuit Court at its October term 1922, the undersigned commissioner will expose to public sale to the highest and best bidder on the premises in Madison county Kentucky at the hour of 10:30 o'clock a.m. on Thursday, November 23, 1922, the following described property:

A tract of about 114 1-4 acres of land lying on the Lost Fork Pike about one-half the distance from Red House to the Boonesboro Pike. This tract of land is highly improved with a very desirable residence and all the necessary outbuildings and a large tobacco barn. It is near the county high school, and about one and one-half miles from railroad station and shipping point at Red House. It is near the historic site of Boonesboro, and only a short distance from the famed Boonesboro Beach. The land is in a high state of cultivation and is a desirable home for anyone seeking a place of this size. The property adjoins the lands of J. R. Weddle and the lands of Mr. Day, recently purchased from G. G. Perry. Property is well watered and one of the most desirable homes in the county.

Terms—Said land will be sold on a credit of one or two years, purchaser being required to execute sale bonds with approved security, payable to the commissioner, and bearing six per cent interest from date of sale until paid, with a lien retained on the land sold until said bonds and interest are fully paid.

R. B. TERRILL,
Master Com. M.C.C.
G. Murray Smith, Attorney.

SAGE TEA DANDY TO DARKEN HAIR

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of "Wye's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, say well-known druggists here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wye's Sage and Sulphur Compound to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.
